

Insurance Coverage Cost : 保険適応価格

1. Assisted reproductive medical management fee: 750yen (管理料)

(Per IVF cycle) ※Requires couple's consent each time.

Medicine (Insurance) : Approx. 10,000 to 30,000 yen

Ultrasound, hormone test (insurance) : Approx. 10,000 yen

2. Basic fee for egg collection: 9600 yen (採卵基本料) 2. Egg collection day

(B to E are added for each egg collection) ※Anesthesia is not included.

A : 0	9,600yen	(Only basic fee)
B : 1 egg collected	7,200yen	(Total: 16,800 yen)
C : 2-5 eggs collected	10,800yen	(Total: 20,400 yen)
D : 6-9 eggs collected	16,500yen	(Total: 26,100yen)
E : 10 or more	21,600yen	(Total: 31,200 yen)

3. Fertilization method(受精法) 3~6. Explanation cryopreserved embryo day

Fresh sperm 3,000yen

3-1. Mediated sperm (sprinkled) 9,600 yen (any quantity) (IVF)

3-2. Intracytoplasmic sperm injection (ICSI)

A : 1 egg collected	11,400yen
B : 2-5 eggs collected	17,400yen
C : 6-9 eggs collected	27,000yen
D : 10 or more	35,400yen

※If both are performed (Split-ICSI),

ICSI fee from A to D+half of the medial sperm (4,800 yen)

※Oocyte activation (calcium ionophore):3,000 yen

※Additional medical treatment : IMSI(own cost)
additional 20,000yen+ ICSI fee from A to D

4. Fertilized egg culture (受精卵培養)

(starting the day after egg collection: by number of eggs fertilized)

A : 1 egg collected	13,500yen
B : 2-5 eggs collected	18,000yen
C : 6-9 eggs collected	25,200yen
D : 10 or more	31,500yen

※Additional medical treatment : Time-lapse culture(own cost) (タイムラプス)
additional 30,000 yen

5. Blastocyst culture addition (胚盤胞培養)

(Number of blastocysts transferred to blastocyst culture)

A : 1 egg collected	4,500yen
B : 2-5 eggs collected	6,000yen
C : 6-9 eggs collected	7,500yen
D : 10 or more	9,000yen

6. Embryo cryopreservation (胚凍結保存)

A : 1 egg collected	15,000yen
B : 2-5 eggs collected	21,000yen
C : 6-9 eggs collected	30,600yen
D : 10 or more	39,000yen

7. Embryo transfer(胚移植)

7. Frozen embryo transfer day

A : Fresh embryo transfer 22,500yen

※3~5. Embryo transfer day

※6. Surplus embryo freezing(another day) 余剰胚凍結あれば別日

B : Frozen thawed Embryo Transfer 36,000yen

※AHA (Assisted Hatching) :3,000yen

※GLUE (Hyaluronic acid culture fluid added) :3,000yen

Additional medical treatment(own cost)

ERA	130,000yen
EMMA/ALICE	60,000yen
SEET	50,000yen
EM scratch	30,000yen

Own cost

Sperm freezing	23,100yen
----------------	-----------

English Additions to IVF (英語加算)

Egg collection cycle(採卵): 16,500 yen for the first visit of the cycle and 16,500 yen on the day of egg collection(TTL 33,000 yen).

Transfer cycle(移植): 11,000 yen for the first visit of the cycle and 11,000 yen on the day of transfer (TTL 22,000 yen).

* From the second fresh embryo transfer, AHA and GLUE are available upon request.

* The age on the start date of treatment is 6 times if you are under 40 years old, 3 times for those over 40 and under 43 years of age.

(40歳未満である場合は6回, 40歳以上43歳未満は3回保険診療可)

* The age at the start of treatment means the age at the start of treatment for the first embryo transfer, the age at which the plan for the relevant egg collection was created.

If this is the second or subsequent transfer using frozen embryos, the age will be the age at which the transfer schedule was created.

In the case of a new egg collection after the previous frozen embryos have been lost, the age will be the age at which the egg collection schedule was created.

(治療開始日とは、初回移植の場合は採卵にかかる計画作成日、2回目以降移植の場合は移植計画日、以前の凍結胚がなくなり新たな採卵をした場合は採卵計画日)

* The count is limited by age in "transfers". (年齢制限の回数は移植回数)

* If egg collection is performed with insurance, additional egg collection cannot be performed until all frozen embryos are transferred. (全ての凍結胚移植後に追加採卵できる)

* Egg collection for future use is not covered by insurance. (移植の予定が未定の場合は保険適応外)

* Own cost treatments and insurance cost treatments cannot be mixed during the treatment cycle. (混合診療不可)

* After the date of pregnancy determination, treatment is basically at your own cost. (妊判以降自費)

* High-cost medical care reimbursement system is separately available. (高額療養費制度が使える)

**High-Cost Medical Expense Benefit:高額療養費制度について
(Eligibility Certificate for Ceiling-Amount Application)**

If you are under 70 years of age and you apply for a high-cost medical expense benefit from your health insurance provider beforehand, your monthly payment at the cashier's desk will be no more than a specified amount.

If you have already paid without presenting an "Eligibility Certificate for Ceiling-Amount Application" or an "Eligibility Certificate for Ceiling-Amount Application and Reduction of the Standard Amount of Patient Liability", you can claim a refund from your insurance provider.

Coverage under this system is, however, limited to the insurance benefits of your medical expenses.
Please note that extra charges for rooms, hospital gowns, and meals, etc. are not covered.
In addition, this system is not applicable if your medical expenses do not exceed the limit of patient liability.

We recommend that you apply for this system if you will be admitted for a long period of time or if your medical expenses are expected to be high.

(Procedures)

You must obtain an "Eligibility Certificate for Ceiling-Amount Application" or an "Eligibility Certificate for Ceiling-Amount Application and Reduction of the Standard Amount of Patient Liability" by applying through your health insurance provider beforehand. Please present this certificate at the reception desk, and your monthly payment will be no more than a specified amount.

If you delay presenting the certificate, you may not be covered by this system.

If you have any questions about the necessary procedures for applying and what happens if you transfer to another hospital, please ask your health insurance provider.

高額療養費制度(限度額適用認定証) について 厚生労働省HPより

Ex①)Egg collection ~ Fresh embryo transfer. Approx 130,000-310,000yen. (新鮮胚移植の場合)
Ex②)Egg collection +Frozen embryo transfer. Approx 220,000-380,000yen. (全胚凍結から凍結胚移植の場合)
Min: 1 Egg/IVF/3days culture Embryo transfer without Embryo glue and AHA
(最小: 卵子1つを体外受精・初期胚でグル無移植)
Max: More than 10 eggs/5days culture/embryo glue/AHA/Additional fee for IMSI・Ca ionopfore・TESE sperm・Time-lapse
(最大: 10個以上の卵子をIMSI.胚盤胞培養。先進医療使用)
